

## JUDGING CRITERIA

**Competitors will be judged on the following criteria:**

**This is not your average pole comp! Welcome to a unique pole competition where engaging performances and embracing classique style dancing take center stage. Let your artistry shine as you captivate the audience with grace and elegance. Push boundaries, evoke emotions, and leave an indelible mark. Get ready to redefine the essence of pole dancing and create an unforgettable experience. Let the magic begin!**

### **Artistry - 10 Points**

Competitors are judged on their creative skill to incorporate transitions, fluidity and control.

### **Floor work and dance - 10 Points**

Competitors must demonstrate mastery of sensual/sexy movement through dance and floorwork. The performance must encapsulate classique/stripper style pole work.

### **Costume/Theme - 10 Points**

Competitors are judged on creativity and originality in costume and theme. The costume must be appropriate for the performance and enhance the story or theme. The theme must be consistent and relevant to the performance and/or the story.

### **"X Factor" - 10 Points**

Competitors will be judged on their ability to entertain and engage the audience through sexiness, creativity, engagement with the audience, entertainment and originality.
